Il Tempo

Welcome to *Il Tempo* (The Times), the Newsletter of the Barony of Ponte Alto, one of the northern baronies in the Kingdom of Atlantia.

Il Tempo strives to be an informative read that you look forward to. To this end, we are always appreciative of any contributions to it, perhaps an article of a project you are working on or are interested in, how to make/play a period game, your experience at an event, how/what to prepare for a day trip, a recipe/ piece of garb that you've made, documentation

on an item you've competed - a how to on documentation, a few words on a historical person/event, photos, a book review, something to share with a newcomer - perhaps a short autobiography of your persona or how you came to figure out your persona.

The list can go on for ages - only limited by the speed at which our hands can write out what our minds can think of.

Come, share with us adventures in the great

Youth at Pennsic

A Report by Lady Annika Siltanen

Ponte Alto's youth were well-represented at Pennsic 45! In Ponte Alto's camp alone we had ten children, and at least 18 wee Pontoons were in attendance at War!

Three Ponte Alto youth archers participated in the St. Sebastian shoot, and several also shot War Points.

Ponte Alto Youth participated in youth combat, archery, children's choir, youth commedia, thrown weapons, and attended classes. They acted as retainers, waterbearers, Pennsic Independent urchins, minions, and volunteers. And generally just enjoyed being kids at Pennsic!

Sebastian (Hannus and Annika's son) was recognized by Sir Angus for his help shading a fallen Preachain warrior on the battlefield.

Oliver and Sebastian (Hannus and Annika's boys) were recognized by Her Majesty Thora for their help retaining for her.

Mikey and Tommy (Barbara and Seamus' boys) as well as Ellie, Kira, and Liam (Janis and Brynn's children) were part of the group award of the Vexillum Atlantia for their waterbearing efforts.

It was a great War for all the wee Pontoons who attended, and for their parents as well!

BOARD COMMITTEE STRUCTURE TO REPLACE GRAND COUNCIL

At its August 22, 2016 meeting the Board of Directors approved the development and implementation of an expanded Board committee structure to encourage and facilitate transparency, participation in and understanding of Society governance throughout the membership of the Society.

The Board shall establish Board committees to serve at the pleasure of the Board. Each of these committees will include representatives of the membership-at-large of the Society, to be nominated by the Kingdoms. A request for nomination process is expected to be in place for the initial committees in the 4th quarter of 2016. Committees to be established include the following:

Finance and Audit – Mission: assist the Board's oversight of the Company's accounting and financial reporting processes, the audit and integrity of the Company's financial statements and the qualifications and independence of the Company's independent auditor

Risk Management - Mission: Oversee insurance, legal, and related matters.

Nominating and Governance - Mission: recommend to the Board the persons to be nominated for appointment as directors; recommend to the Board the directors to be appointed to each committee of the Board; develop and recommend to the Board Society governance guidelines and policies

Communications – Mission: develop and oversee advertising; public relations; publications, social media and other communications initiatives of the Society

Membership – Mission: grow and sustain membership in the Society; evaluate and oversee implementation of programs and initiatives for membership support

The Board has also formed the following ad hoc committees to serve until their mission is completed in the discretion of the Board:

Youth Activities – Mission: Completion of design and implementation of YAFA programs

Technology – Mission: Prepare 5-year technology development plan for Society

Peerage – Mission: Review proposals for the creation of new peerage

From time to time the Board may form other ad hoc committees for special projects. The Board has the authority to dissolve or modify any committee or its membership at any time. Committee members serve at the pleasure of the Board, subject to a 3-year term limit. Initial appointments may at the discretion of the Board be for staggered terms so that the term of all such members of a committee do not expire at the same time. Committees will make recommendations to the Board and give quarterly reports. Committee members will be appointed by the Board and Committee chairs designated by the Board. Committee members at large will be nominated in response to a Request for Nomination (RFN) sent by the Board to each Kingdom Seneschal, describing the mission of the committee and suggested minimum qualifications for committee members. Kingdoms may then (within a defined period of time) nominate individuals in their Kingdom. Nominations would be made by the sitting Crown with the advice and consent of the Kingdom Seneschal.

A CALL TO MERCHANTS

Once again, now that Pennsic is behind us, we are pleased to announce:

The Barony of Stierbach (Kingdom of Atlantia) is now accepting merchant applications for Holiday Faire 2016. Holiday Faire will be Saturday, November 19, 2016 at the Prince William County Fairgrounds in Manassas, Virginia. Merchant space is \$10.00 for a 10x10 space and each merchant gets in at the discounted rate of \$10.00 each.

Please go to <http://stierbach.org/index.php/holiday-faire> download the application form located under the Merchant Information Section. Please e-mail StierbachHoliday-Faire@gmail.com. All applications will be handled on a first come first served basis. I do not require payment at the time of application to keep it fair for all.

This is a "shopping event" with Martial and A&S activities scheduled for those who are waiting for family members who are shopping...grin. So, we need merchants with wonderful treasures to come to Holiday Faire! The main set-up is indoors. Outside space is available for those who choose to be outdoors, or when we run out of indoor space.

To perform the duties of Kingdom Web Minister should possess the following skill set:

- ◆ An understanding of web coding, especially HTML, PHP, and Javascript
- ◆ General knowledge of database management and SQL
- ◆ Knowledge of Joomla and Wordpress management
- ◆ Web Server and email management
- ◆ Troubleshooting of web systems using the above languages

Those interested in volunteering for the position should contact the Kingdom Seneschal (seneschal@atlantia.sca.org), the Crowns (trm@atlantia.sca.org, trh@atlantia.sca.org) and me (webminister@atlantia.sca.org), and should be submitted by no later than 09/15/2016

Should you have any questions, do not hesitate to contact me. Thank you for your time.

We really could use your help

There are several positions in our Barony that could use a Deputy; actually, all of the positions that we have could benefit by having at least one deputy.

Why a Deputy? Well, it is easy for any one of use to intend to do something if we don't take into account that the SCA is what we do with our time after we are finished doing what we do to pay the bills.

With deputies, the work load can be shared, allowing more work to be accomplished with less time and stress for any one individual.

Besides, it is a great way to work with others to do something different to help make yours and other's SCA experience that much better!

THE FOURTH PENNSIC PERIOD BOW SHOOT

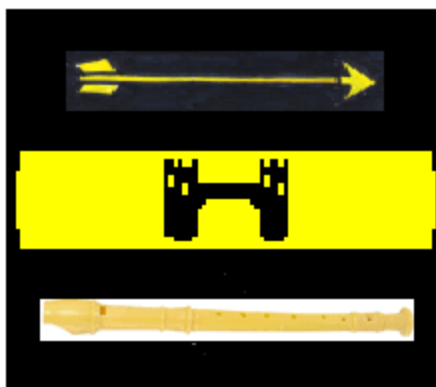

A report by Lord Naran Numuchi

The Fourth Pennsic Period Bow Shoot brought out 9 archers, who braved the oppressive heat and continuous rumblings of thunder and threatened down pours, 7 longbows, a horsebow and a crossbow.

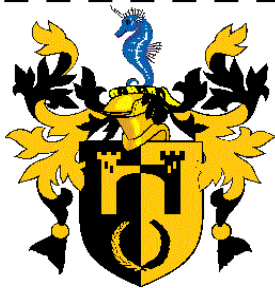

The flight shoot was handily won by Lord Naran Numuchi, who had flight arrows he made especially. With lightweight and very small fletches for maximal distance and minimal drag.

Targets included a roving clout, a Turkish target called a puta, a Manju target with concentric nestled rings, shot with a blunt arrow, to knock out only the bullseye, and a full Period royal round - where the points are 8, 4, and 2 respectively. Garb and archery kit were required to match, so no vikings with yumis.

Mykeal Halfdan of Meridies won longbow, Naran for horsebow, and Laird Wulfric of Aethelmearc for Crossbow. The shoot next year will be scheduled for Friday morning of Peace Week.

Proposed design for new children's award,
