## *Il Tempo*

Welcome to *Il Tempo* (The Times), the Newsletter of the Barony of Ponte Alto, one of the northern baronies in the Kingdom of Atlantia.

*Il Tempo* strives to be an informative read that you look forward to. To this end, we are always appreciative of any contributions to it, perhaps an article of a project you are working on or are interested in, how to make/play a period game, your experience at an event, how/what to prepare for a day trip, a recipe/ piece of garb that you've made, documentation on an item you've competed - a how to on

documentation, a few words on a historical person/event, photos, a book review, something to share with a newcomer - perhaps a short autobiography of your persona or how you came to figure out your persona.

The list can go on for ages - only limited by the speed at which our hands can write out what our minds can think of.

Come, share with us adventures in the great Barony of Ponte Alto, in the grand Kingdom of Atlantia, in this - the current Middle Ages!

## **ARTS & SCIENCES IN THE SPOTLIGHT**

*"To all the citizens of the esteemed Kingdom of Atlantia, present and future, Michel Almond de Champagne, Maistresse of Service and Arts sends greetings.*

*Let your whole community know that with the consent of her Royal Highness Una, I am issuing a challenge to all artists within the Kingdoms boarder.*

*From Saint Ansgar day to Saint Alphonsus day (February 1 to August 1) I am challenging each artist to create an item that benefits their barony.*

*By way of meeting this challenge, I am asking that a photo of the artistic gift be posted [here](#)\*. In exchange for this gift given to the barony, each person will receive name fame and a token of my esteem.*

*This challenge is made in the 2018th year of the Gregorian calendar.*

*That this challenge may be held firm and remain untroubled, I have strengthened the present confirmation with the impression of my seal."*

## Ponte Alto Profiles

Continuing our series, *Ponte Alto Profiles*, where we put a spotlight on some of the people that make up the grand Barony of Ponte Alto, we follow up our profile of Alric the Mad with our baroness, Cellach Mór! We hope you enjoy reading!

### Profile: Cellach Mór

#### Who are you?

Cellach Mór, Baroness, Ponte Alto. Member of the Order of the Golden Dolphin. Combat Archer. Glass Worker. MOL. Hospitality minion.

#### How did you find the SCA?

Originally Master Frank told me about it in 1999 when I was brand new to DC. I learned more about it when I started dating Alric six years later.

#### What hooked you?

I'd be lying if I said it wasn't getting to spend time with Alric, watching him fight, and generally enjoying being away from my real world. Doing hospitality for the rapier community (and Dragoons specifically) hooked me for real.

#### What is the SCA to you?

A place to be with my chosen family and friends, and a place where I can learn and have interesting discussions. A chance to cheerlead my friends in doing such fascinating activities.

#### Tell us about your persona

It's probably easiest to start with my name. My heritage is Irish and Cellach was the closest I could find to Kel. One of my dearest friends last name is Moore, and the heralds thought it would be a fun pun to use as Mór also means fat. Cel-

lach was taken from Saint Cellach of Armagh, a 10th century Archbishop (who's feast day is April 1)

My persona isn't well defined. I like to dabble in all things shiny and like

garb from all over and choose my garb on the event, activities, and weather.

### **Current/next project?**

Silk painting and stained glass are my two current A&S passions. And my next project is to document some of the things I've been doing.

### **Favorite SCA event?**

Ponte Alto's Love & Beauty. It was the first one I attended, and the first event as Baronage that we saw from beginning to end! I love all the pageantry and fighting!

### **How do you stay busy at events?**

I ask myself the same thing. Setting up hospitality, helping fighters armor up, watching fighting, feeding and watering fighters, sometimes shooting combat archery, occasionally archery or thrown weapons, looking at A&S, socializing, shopping, attending courts, and suddenly the day is gone.

### **What activity do you not do, that you'd like to try?**

I would really like to try more fighting, sadly I am too broken for that. I hope to play with more hot metal and glass.

### **What advice would you offer someone just getting started?**

Try any and everything you want to – almost everyone is willing to teach you! If you try it and don't like it – try it one more time! I personally like the 1-year rule. Take a year before you decide to commit to a persona, name, peer, or household. Borrow what you can early on – most areas are happy to loan garb, armor, or work with you in their workshop. Don't take anything personally – a lot of us are socially awkward and many suffer from pain and stress you know nothing about. If you're doing an activity find a way to give back to that community – MOL, Marshal, Judge, Clean-Up, etc. Keep an open mind! Just cause xyz isn't your gig doesn't mean it's not a lot of fun for the person doing it.

*With many thanks to the Baroness for taking the time to share with us this profile!*

## Tournament of Love & Beauty

### Report from the Autocrat

The day started chilly and sunny, and although the snow came later in the afternoon, it could not dampen our festivities. We enjoyed a wonderful day of stories, dancing, shopping, and of pageantry, chivalry, and friendship.

There were 15 fighters and consorts vying for the title of Champions of the Tournament of Love & Beauty. Congratulations go out to Sir Luis de Castilla and Lady Margarita de Siena who took the top prize, and who also won the award for Best Procession. Also, a shout out goes to Lady Esa inghean Donnchaidh for having the best Consort A&S entry, to Lord Ullfarr Refskegg for winning the Rapier Tournament, and to Syr Rousell Tavernier for winning the Armored Tournament.

We ended the day with a scrumptious feast cooked by Baroness Aine Chumin and her amazing kitchen crew. If you didn't have any

leeks, you really missed out.

Thanks again to all the wonderful staff and participants. We had such a wonderful time, we hope you come back again.

YIS, Vadoma

## *Tournament of Love & Beauty (cont.)*

Thank you note from Baroness Cellach

2/22/18

Thank you to everyone who helped make The Tournament of Love and Beauty a wonderful day. Vadoma (Marlene) put together a wonderful event and managed to make the day spectacular, in spite of the scheduling and weather difficulties. Thank you to everyone who assisted in moving court to earlier so those with longer journeys could safely get on the road. Lady Vadoma did a wonderful job in her write up and His Excellency and I echo the thanks to all who helped make the day magical.

Thank you to Baroness Aine Chuimin for such a carefully prepared and documented feast! And to all the kitchen crew who spent the day preparing such deliciousness.

It was wonderful to see some folks came from far away to be part of the day. Congratulations to Sir Luis de Castilla and Lady Margarita De' Siena for being crowned the Champions of Love and Beauty! And to all the discipline winners.

Vivat to Mistress Alana Urquhart for being inducted into the Order of the Pelican!

Congratulations to the new Ponte Alto Champions:

For A&S – Lord Randall Clark

For Armored Combat – Lord Heinrich Von Holstein

For Bardic – Lady Ailleann O'Meighan

For Rapier Combat – Lady Bryn Tannahill

Thank you to last year's Champions: Margaret Lad, Bryn Tannahill, Hannus Siltanen, and Colette Vitalis.

## *Tournament of Love & Beauty (cont.)*

And to the newest baronial award recipients:

Onore del Ponte Nero - Lord Heinrich von Holstein,

Onore del Ponte d'Argento - Lord Randall Clark

Onore del Ponte d'Argento - Mistress Drea di' Pellegrinic

Onore del Ponte d'Oro - M'Lady Maria Chiara Datini

And huge congratulations to Lord Rónán mac Ímair for his induction into the Order of the Yew Bow (archery) and Lord Naran Numuchi on his induction into the Order of the Golden Dolphin (service).

While I am thanking people, I want to thank M'Lady Lina who has been incredibly generous with her donation of largesse to the barony! Ponte Alto is fortunate to count her amongst our populace!

I want to add a personal thank you to Lady Delphina the Mad and Maestra Gracia Esperanza de Sevilla and for spending their entire day looking after His Excellency and me. (And a personal thank you to Lord Eamonn Mac Uiliam and Lord Tristan de Roquelaure for checking on us throughout the day).

And a very personal thank you to Graciela and Alric for taking such wonderful care of me at the end of the night when I fell ill, thank you all for understanding!

## *We really could use your help*

There are several positions in our Barony that could use a Deputy; actually, all of the positions that we have could benefit by having at least one deputy.

Why a Deputy? Well, it is easy for any one of us to intend to do something if we don't take into account that the SCA is what we do with our time after we are finished doing what we do to pay the bills.

With deputies, the work load can be shared, allowing more work to be accomplished with less time and stress for any one individual.

Besides, it is a great way to work with others to do something different to help make your, and other's, SCA experience that much better!
